TAKE A LOOK AND REFLECT

What would you
like to develop?
Which method
to use?

Openness

Tietoa on helposti löydettävissä ja hyödynnettävissä. Asiosta kerrotaan jo valmistelun alkuvaiheessa, jotta ratkaisuun on aidosti mahdollista vaikuttaa.

Access to information

Access to information principle means the right to get information about public sector matters.

Easy to understand

Texts, services and reforms of public sector need to be clear and easy to understand.

Participation

Everybody who wants to, should have the possibility to participate in policy-making and development work. Administration is responsive to new ideas, requests and needs.
