TAKE A LOOK AND REFLECT

What would you like to develop?

Which method to use?

ACTION CARDS

Openness

Information is easy to find and use. Information is made available at an early stage, to ensure that there are real possibilities to influence the outcome.

Access to information

Access to information principle means the right to get information about public sector matters.

Easy to understand

Texts, services and reforms of public sector need to be clear and easy to understand.

Participation

Everybody who wants to, should have the possibility to participate in policy-making and development work. Administration is responsive to new ideas, requests and needs.
