

The background is a solid teal color. Scattered across the page are several white icons of hands shaking, representing agreement or partnership. The icons vary in size and orientation, with some appearing larger and more prominent than others. The central text is white and bold.

# Open Government

# What Is Open Government?

Open government means

- › transparent governance,
- › accessible government information and services,
- › government that is receptive to new ideas, requirements and needs.

Open governance practices offer a tool for improving the quality of democracy to better meet the needs of citizens.

# Why Is Open Government Developed?

- › To strengthen citizens' trust in government.
- › To provide citizens and civil society with opportunities to participate in societal development.
- › To make government data open to ensure transparency in governance.
- › To prevent corruption.
